PERMISSIONS CONTRACT INFORMATION

The following information is specific information and expected behavior during the summer camp. By signing you recognize all expectations and information and give permission for your student to participate.

- Students may have work sessions with coaches that are located in another state (hybrid). This will be done by students logging into the Always Writing 4 U zoom room and being placed in the virtual room of this coach online by the camps adult stage manager.
- If your student is participating in camp completely online, you understand that all lectures, sessions and work will happen digitally/ online.
- AW4U tries to offer a safe inclusive space for all students to participate, express themselves and work in a positive environment. If a student has any concerns, they should address them with the designated Belonging and Inclusion Advocate. This person will be one of the full-time coaches and will be introduced to the students at the meet and greet zoom prior to camp. They may also speak with any other staff that they are comfortable with.
- Students are expected to be on their best behavior during camp giving 100% of the week to the active participation in the experience.
- Students maybe dismissed from camp for not following the rules and/or being told multiple times of things they are doing that are unacceptable behavior. *Parents will be contacted.
- Students are expected to stay in the designated areas of the school that we are utilizing for camp.
- Any vandalism of any kind is grounds for immediate dismissal from camp which is nonrefundable. In addition, the administration of the host school will be informed of any situations and with that comes the potential of further discipline.
- Students are **HIGHLY** encouraged to bring a sacked lunch daily. With only one designated hour for lunch staying in the building for lunch is the safest option we, Always Writing 4 U staff, can support. There will be access to a microwave as well as a designated place for students to eat daily.
- If your child does not return from lunch the parent will be notified.
- If students are not attending, not returning from lunch or arriving to camp late an e-mail is required. We are responsible for students during the camp. When a child does not attend or return our assumption is that they are supposed to be with us and if they are not a parent/ guardian needs to be notified. Communicating late arrivals or absences saves us time on communication that doesn't need to happen.
- Students are expected to clean up after themselves every day in all of the spaces utilized.
- Always Writing 4 U is **NOT** responsible for students who leave campus for lunch during camp. Nor will the business supervise or take responsibility for anything that happens outside of the camp location and boundaries. (Which are specific to inside the host school.)
- Please make sure your student knows, understands, and respects the rules of driving other teens in their cars should you allow them to leave campus for lunch. Always Writing 4 U cannot give permission for students to or not to ride with your student. This information should be communicated to them so they are aware of the rules that have been set in place by the parent. *We cannot express enough how important this.
- If, with parent permission, students leave campus for lunch they are expected to return on time and ready to work in the afternoon.

ALWAYS WRITING 4 U SUMMER CAMP PAPERWORK

I, _____ understand all of the above information that states I am responsible for ensuring that my child follows the expectations of the camp. If my child drives or gets into a car of another camp attendee that choice is not the decision of the camp nor, are they responsible for my child once they leave the designated school building.
